

Career Goal:

describe in detail your career objective here

Career Plan

Short Term (PhD)

■ make a detailed list of grants/scholarships, manuscripts, service, mentorship goals, etc.

Mid Term (1-2 yr after PhD)

Long Term (5-7 yrs after PhD)

Career Requirements:

■ in list format, describe in detail the CV requirements needed to land your dream job. Develop this list based on the CV and personal website of someone who recently landed the type of job you want.

■ fill in boxes as you complete goals

Personal Passions:

be honest with yourself about these, and compare how your personal passions align with your career objectives.

Research Passions:

be honest with yourself about these, what do you want to make your career on - is your current research leading you in that direction?
